**Energy Alchemy,** Become a Medical Intuit, Master Healer, Medical Medium, Energy Alchemist, or Divine channel as you heal and transform the world. Be part of the biggest movement to heal humanity, and mother earth. Be the brilliance that lights the path for others as you confidently embrace your divine mission and anchor the newest frequencies and ascension codes.

### **5 Months Experiential Energy Mastery Program**

**Learn to heal mother Earth, humanity, your loved ones, yourself, your pets and the environment.**

**Become proficient in connecting to the source of pure consciousness as well as receive with clarity the treatment protocol for all that you serve and support.**

### **What will you learn?**

#### **Module 1**

**Human Divine Blue Print-** Understand what is your Divine blueprint. As you understand your Divine blueprint, you learn how to bring it into wholeness. You begin to access more of yourself, more of your light, your authenticity and your healing power. You also learn to bring in more of your past life wisdom. When you have trauma, loss, abuse, shock or any serious harm, in any life time, part of your spirit can be damaged or even broken off and it creates distortions in your timeline. Discover

past life trauma that is still creating distortions, retrieve, reassemble, and heal your divine blue print to 100%.

## **Module 2**

**Restore Your Soul and Spirit connection as well as your Life Force to 100%-** Your soul and spirit have an intimate connection and their connection depends on your body's ability to create energy, ATP to support your life force. Your soul is like a protective chalice for your light body~ essentially your spirit. It protects you from the darkness of others and dark places and keeps you intact as a spirit. Your soul prevents further breakage of your spirit and keeps your light from getting dangerously dim. Your Life force directly correlates to how well your soul is performing for you. Your Life force only drops or needs to drop when your Light is leaving your body but many people walk around with very low life force feeling weak, lethargic, and weary for years. Learn to restore your life force to 100% and feel more vibrant!

## **Module 3**

**Entity Clearing-**Learn to recognize, entities, entity types, ET, galactic spiritual interferences. Learn to uncover wormholes, portal, vortex, grids, dimensions interfering with your life force, health, wealth, love and mission. Learn how to clear them from humanity, animals, trees, objects, homes, work places, buildings, land, elements. Learn to clear, retrieve, and free spirits from lower dimensions, other realms, timelines, entrapment, and old contracts.

## **Module 4**

**Remove implants-**Learn to separate each of your multidimensional bodies and search each template for obstructions, filaments, fragments, anchors, spirals, hooks, seeds, cycles, tools, weapons, technology, other life forms and other forms of implants in your blueprint. Remove them from each of your bodies. Learn to do the same for others. Learn to communicate with your divine celestial team and hold space for them to do cosmic, psychic or quantum surgery.

## **Module 5**

**Clear Virus, Bacteria, Fungus, Yeast, Parasites-** Learn how to identify foreign entities, invaders, and intrusions in your multidimensional bodies, how to permanently remove them from all your bodies and from others, including nano technology, Ai, feelings and emotions of others, and deep seeded anger. All other form of parasitical, energy. Learn how to clear these in others.

## **Module 6**

**Clear DNA genes** Learn to identify defective, distorted, incomplete, excessive, imbalanced resulting in chronic conditions or autoimmune disorders. Clear information, past life trauma, generational trauma, trauma of others in your soul family, embedded in your DNA that is preventing you from manifesting, raising your vibration, succeeding, ascending, becoming wealthy, finding love and prosperity. Clear ET DNA, Galactic distortions, implants and interferences in your DNA that prevent you from fully owning your gifts, accessing and mastering your gifts and becoming self-actualized.

## **Module 7**

**Spirit Embodiment** - Learn to identify when your Spirit is not in your body, locate your Spirit, clear whatever is preventing it from being in your body. Learn to bring it into your body and ground it. When your spirit owns your body, you have less invaders, less aches and pains, less interferences and your mind, body spirit connection is stronger.

**Human Spirit Access Portal** – Learn to clear out the entrance for spirit to enter body and connect you with the center of your head, which is the seat of wisdom and body ownership, clairvoyance and clairaudience. We will refresh your spirit body connection and field of embodiment as well as do a Silver cord cleaning.

You will also learn to check your access portal for attachments, gunk your spirit picks up that prevents it from easily coming into your body and how to cleanse it.

## **Module 8**

**Chakras 1,2,** – Learn to see and read the 7 layers of your chakras. Identify what colors are best for you based on the projects you are in front of. Identify which colors amplify your manifesting and creative nature. Discover which colors frequencies heal you base on your trauma. Clear repair, rebuild or replace any missing parts of your chakras. Activating your Shakti energy and ignite your ability to manifest and create.

## **Module 9**

**Chakras 3, 4** – Learn to see and read the 7 layers of your chakras. Identify what colors are best for you based on the projects you are in front of. Identify which colors amplify your manifesting and creative nature. Discover which colors frequencies heal you base on your trauma. Clear repair, rebuild or replace any missing parts of your chakras. Activate your Power center and open up your Heart space. Amplify your drive, commitment, passion, purpose and ignite your ability to manifest and create. Harness your personal power, with love, kindness, compassion and resolve.

## **Module 10**

**Chakra 5, 6-** Learn to see and read the 7 layers of your chakras. Identify what colors are best for you based on the projects you are in front of. Identify which colors amplify your manifesting and creative nature. Discover which colors frequencies heal you base on your trauma. Clear repair, rebuild or replace any missing parts of your chakras. Activating the power to create with your words. Align with integrity, authenticity, and your truth. Open up your third eye and have the courage to see what you have been unwilling to see. Amplify your voice, and the coherence in your voice.

## **Module 11**

**High Self, and Divine Connection** - Understand who you are as spirit, and how your Divine connection and high self fit into the picture of who you are. Learn about your higher self, the wisdom you bring and have access to. Open your Divine channel and amplify your connection and communication to your higher self.

**Halo and Golden Ring activation,** activate your halo and golden rings to increase your vibration, download wisdom, hold space for others to raise their vibration and ascend. Remove blocks that keep

you from accessing your golden rings and using your wisdom, to change the world as you ascend into the higher vibrations. Clear the baggage and spiritual interferences that prevents you from awakening, activating and energizing your golden rings.

### **Module 12**

**Auric field** – Learn to see the seven layers of your Aura. Learn to identify any kinks, tears, missing part of your aura and learn to repair it. View psychic attacks, hooks, implants, other people's energy in your field. Learn to see the seven layers in your aura. Distinguish your colors and how your colors change based on the projects you are running.

**Chakra 7-** Learn to see and read the 7 layers of your chakras. Identify what colors are best for you based on the projects you are in front of. Identify which colors amplify your connection with source, which colors amplify your ability to download, which colors open up your channel even more. Discover which colors frequencies enhance your connection with your Divine Team. Learn to clear whatever may be blocking or interfering with you as a Divine Channel.

**- One on One - 25 min Session**

### **Module 13**

**Hara line** – Learn about the purpose and importance of your Hara line, which is the silvery white vertical line that goes down the central channel. The hara is a core power that is under the auric field of the human body. It is housed inside the tan tien, existing on the level of intentionality. The hara is also known as the core star connection. The haric level serves as the aura's foundation. This is where your intentions are birthed, held, and housed. You might say that this is where the source or seed of your life purpose is located. It is also the source of your creativity. Learn the strength and health of your hara line and how to repair it for yourself and others.

### **Module 14**

**Heal Mother Earth-** Learn to connect with mother earth, Gaia. Connect to the earth grids and know what she needs to heal. Learn how to anchor higher frequencies to raise her vibration and heal the land, animals, humanity and the elements. Create a more conscious vibrant environment for future generations. Learn to connect to the elementals and other light forms around you and in other dimensions that are here to heal and restore Gaia, Sophia, Mother Earth to her Divine Blueprint. Learn to tap into her Goddess Source Energy and be a conduit of healing and ascension.

**- One on One - 25 min Session**
