In this Love Journey, you will yourself inside and out all aspect of love, worthiness, deservingness, receiving, allowing, and accepting. You will develop a deeper level of intimacy, connection, compassion, with yourself and other. You will see yourself and others with unclouded eyes. You will learn to love yourself unconditional, be your greatest advocate, supporter and cheerleader. You will recognize and celebrate the Divine sacred being within and honor yourself.

Live will become much lighter, more colorful, more radiant, more beautiful and more peaceful.

These 3 Levels of “Awaken the Love Within You”, are organized and structure to heal the many layers, lifetimes, timelines, contract and Trauma around relationships

including with yourself, your loved ones and the God of your understanding. We are clearing and healing the many aspects, bodies, levels, layers and dimensions of you. We are looking past the veil to restore/reclaim Love, open up your heart space, harmonize your mind, body and spirit.

Each of these topics will move you into a new level of intimacy, connection, openness, receiving and Love. Balancing the masculine and the feminine, peeling away the heart walls, helping you discover yourself again and get clarity about what you want and what makes you happy.

You will feel whole, complete, more present, and in your power. You will experience a Peace within you like never before. You will practice healthy boundaries, believe in yourself, trust yourself, trust your intuition and honor the Divine Sacred Feminine within you..

On this journey as you peel away the layers you will awaken and deepen your Self-love, Unconditional love, Lovability and ability to Be Loved. As you continue on these Journeys you will learn to trust again, believe in yourself, feel worthy of having everything you want in your life and in your relationships. You will be more compassionate, kind and loving toward yourself and others. You will stand as source and be the change in your life. You will have the courage to fully express yourself with authenticity and truly honor the beauty, radiance, magnificence within you. Your relationships will improve 360. Your intimate relationship will be more passionate, more fulfilling, more blissful.

Relationships not serving you will fall out of your field, or transform into a relationship that is more loving and kind. Other relationship will emerge that match your vibration. You will attract more loving relationships. Your own intimate relationship will improve. If you are not in a relationship, you will now be open to receive and attract your Divine Compliment.

You will release so many layers of anger, resentment, regret, sadness, grief, hurt, pain, blame, guilt, and unworthiness that you will be unrecognizable. You will look back with peace in your mind and heart and the old you will be a distant memory.

You will emerge as the new you, with confidence, courage, congruency, commitment and clarity. You will fall in love with yourself again. Love yourself the way you want to be loved. Be so much love that the world around you can't help but love you back and they will be inspired to Love themselves too.

Level 1- Heal the Love Within

Day 1. Love, Self-love, Divine love and Unconditional love- Do you have LOVE in your life? Do you love yourself? Are you able to connect to Divine Love and Unconditional love? Are you allowing all form of love in? Do you love yourself so much that you are not willing to settle for anything less than you deserve? Are you attracting all you desire in to your life? Break through the barriers blocking you from receiving and allowing love in. **Love, Self Love, Divine Love and Unconditional Love**

Day 2- Day 8: Let go of the emotions that poison you heart space, energy, organs and body. Release the low vibrations in your field that keep you stuck, held hostage, unhappy. Break the chains, remove the bonds, free yourself of self-sabotage, self-punishment and victimization. Cleanse yourself of the darkness that consumes and dims your light. Let go of the past and start living as the light within in the present.

Day 2. Release Wrath, hatred, rage, loathing- We often hold on to different forms and intensity of anger when we feel wronged or victimized. We are in disbelief and we play out in our mind all the things they did to us because we want to be right or don't want to be wrong. We want to blame them.

Day 3. Release Blame, Shame, Fault- If we feel we cause the unfavorable situation, we blame ourselves for the results, we make it our fault, sometimes consciously and sometimes subconsciously. We may also attach shame to that. All of which keep us stuck, blocked from moving forward.

Day 4. Release Envy, Jealousy - After a breakup even if we choose it, sometimes we have trouble moving on, especially if we don't have someone else in our life. We reminisce about the relationship and often experience envy, jealousy as we wonder what they are doing, who are they with and how are they treating that person. We make up so many stories in our mind that drive us further and further away from unconditional love.

Day 5. Release Pride, Resentment, Regret-Sometimes we are unwilling to accept responsibility and we dwell in should've, could've, would've..

Day 6. Shower yourself with Forgiveness – Forgiveness is such a beautiful practice that washes away all the impurities from your field, mind and spirit. Let go that you are unable to heal. Let go that you cannot have what you want. Let go that you cannot be happy or achieve Happiness. Let go that you have to suffer or settle.

Day 7. Release Lust, selfishness, Greed - Let go of addictive behaviors that are not serving you. Release unhealthy, wants, needs, desires. Let go of Narcissism.

Day 8. Release Gluttony, entitlement – have healthy self-control, be gracious, grateful and kind.

Day 9. Choose Happiness- **You are the master of your destiny. You are the creator/creatix of your life. You decide each day the reality you are choosing to create. Feel empowered knowing that you are choosing to relate to life differently and are creating a new reality in every moment.**

Day 10. Choose joy and access your playfulness- Connect to the softer energy within you of delight, pleasure, bliss, elation, ecstasy, and rapture. Decide how you want to live your life, by your own rules. Choose to access all that you are and live in joy and unconditional love.

Day 11. Group Energy Clearing

Day 12. Kindness and Compassion as a way to nurture your soul- Release judgement, release anger, self-hate, release self-sabotage and self-punishment. Be kind, compassionate and loving toward yourself. Develop a loving, nurturing relationship with yourself.

Day 13. Connect to your heart space and feel the love for yourself – forgive, release, set yourself free and open up to a well balance giving and receiving practice. What karma are you working through? What agreements or contracts do you have that you have not completed? Are you rejecting yourself? Clear all of that and re-connect with yourself and your Divine essence.

Day 14. Transcend the Ego, empower the victim, and nurture your inner child as you embrace your wholeness. Feel whole again. Embrace all parts of who you are. Bring light to the darkness within you. Embrace your shadow self and bring love and light to all the dimensions of who you are.

Day 15: Clear Attachments that distort your Divine blueprints- Clear multi-dimensional attachments so that you can be present, in your energy and feel healthy and energized. Restore your divine blueprint to wholeness. Reclaim your sovereignty.

Day 16: Clearing seals, and discarnate energies, from your bioenergetics field –reclaim your sovereignty, reclaim yourself to facilitate ascension, and self-actualization. Remove things from your field that are siphoning your life force, abundance, joy, love which are obstructing receiving, attracting, having and manifesting.

Day 17. Find peace in letting go of worry, let go of the things you cannot control. Surrender all the things that get in your way, bring you down or keep you stuck. Surrender them all to source or the universe.

Day 19. Right and Left Brain Connection- Feel more grounded, more aware of yourself, and your thoughts. Use more of your capacity to manage life, relationships, and career. Unlock more of your potential, let your creativity flow. Increase your critical thinking and smoothly overcome challenges. Thrive at being you.

Day 20. Release Anxiety, Stress, pacifying Fight and Flight- turning down the cascades of hormones and negative thoughts, as well as overwhelm, feeling out of control, and resolve the affects of this imbalance in your body.

Day 21. Group Energy Clearing - What else can we clear to increase your light, and raise your vibration?

Heal the Lover Within You Level 2

Day 1. Love Your temple - love your body. Release any barriers to loving being in your beautiful body. Relate to your body with love, acceptance, compassion, kindness. Release rejection, protection, shame, feeling invisible and unimportant. Claim the right to take up space, be seen and be heard. Accept the beautiful, organic suit you chose to express yourself in this lifetime. Recognize and acknowledge your own unique outer beauty.

Day 2. Sacred Sexy - rejuvenate and reinvigorate your sexuality, sensuality, and sexiness. Feel free to express yourself as a sexual being that you are in an empowering way, honoring yourself and with healthy boundaries. Day 5. Beauty inside and out - Active joy, happiness, peace, self-love, self-acceptance from the Goddess, the high priestess, the Divine Feminine from the 12 Dimension and have that be your over guiding light. Shimmer, Shine, and Sparkle the Cosmic beauty that transcend space, time and dimensions.

Day 6. Earth and Soul Star connection - Feel more purposeful, grounded in this life, align with why you are here, your divine path, and your mission. Access the knowing and wisdom of your Spirit. Feel more confident and align with your potential, and your ability to manifest.

Day 7. Heal Your Relationships with yourself- Would you love to have an amazing, connected, authentic, genuine and loving relationship with your loved ones. Let's heal trauma, pain, disappointment, rejection, betrayal, abuse, abandonment, and heartache. Reset your relationship and have an opportunity to start new, to start fresh. Undo, delete, un-create, transform all the things you have been wishing you could change.

Day 8. Awaken the Lover Within you- Be open to be love, receive love, have love and express love. Find the passion in being you and allow it to flow in your expression, communication and beingness. Attract the love you desire. Transform your current relationship or attract a new relationships that fulfills the Lover within you.

Day 9. Be a Sensual, Sexual Goddess- are you comfortable with your body? Are you comfortable with your sexiness? Are you comfortable being the center of

attention, turning heads, being mesmerizing? Are you comfortable having so much power? Are you comfortable being in your power? Are you comfortable in your Goddess Energy?

Day 10. Release Victim, Saviour, powerless, helplessness, co-dependency- Have you always stood in your power, had good healthy boundaries and took responsibility for all the things you've created in your life? Has it been just the opposite, a life of victim, helplessness, co-dependency, giving your power away, waiting to be saved or constantly saving someone else? Are you ready to release the victim and step into creation?

Day 11: Group Energy Clearing – How well are you integrating? What has come up that is blocking you? What fears and limitations are you holding on to? What else in your way?

Day 12. Release Empathy, sacrifice, Struggle- Let go of the need to give so much of yourself. Give yourself what you need, validation, approval, significance and live your life. How many lifetimes have you lived in which you suffered emotionally, mentally, and energetically. How many lifetimes did you sacrifice yourself for others? How many lifetimes of struggle did you live and what DNA, karma, contracts are you playing out? How many more lifetimes of pain, suffering, sacrifice and struggle are you willing to live? What is the significance you get out of sacrificing yourself, struggle and empathizing with everyone? Approval, love, acceptance?

Day 13. Divine Partner, Counterpart, Life Partner, Soulmate or twin flame-Have clarity about your Divine Partner, have the courage to call him in. Embrace your worthiness and do not settle for anything less than what you deserve. Envision yourself with someone who loves and adores you. Someone who goes out of his way to show you how important and lovable you are. Attract your perfect ideal partner who honors you, respects you, takes care of you and your loved one. Someone who is grounded, kind, generous, and loves unconditionally.

Day 14. Balance the Divine Sacred Feminine and Divine Sacred Masculine- Are you feeling stuck in efforting, hardwork, competition, doingness? Are you having trouble connecting to your creativity? Are you having trouble connecting to your feminine energy and be more nurturing to yourself and other. Are you having trouble following through with tasks and making progress in your career? Are you having trouble finding your drive, inspiration, masculine source within you?

Day 15. Become a Modern Day Goddess- Connect to your Divinity, recognize the magnificence and radiance within you. Know yourself and your gift to the world. See yourself

as Divine essence expressing yourself in this beautiful body. Embrace your light, with courage, strength, and knowing. Be uncompromised, be unshakeable, be your greatest self.

Day 16. Turn off gene markers for deficiency, auto-immunity and chronic illness- Did you buy into, inherit, expected that you would also have dis-eases, dis-orders that others in your family experience? Is your illness the result of a gene pass on in your DNA that is triggered by stress, environment, toxins or unknown? Let's turn off all the gene that are creating imbalances and manifesting as illnesses, not allowing to live a full life.

Day 17. Abandonment issue, Betrayal and Rejection-Let's heal core wounds of abandonment, betrayal, rejection at all level, all fields, all dimensions, all lifetimes and all timelines. Let's clear this karma from your DNA. Let's clear the separation between you and Love.

Day 18. I am enough, I am worthy, I am deserving- What gets in the way of attracting or being in the relationship you desire? Do you feel not enough? Are you attracting people into your life from unworthiness, undeservingness and therefore find yourself in the same kind of unfulfilled relationship, same type of person or lonely. Let's shift your vibration to I am enough, I am worthy, I am deserving so that you may attract someone who matches you there and loves you unconditionally.

Day 19. I love myself, I believe in myself, I trust myself- Are you still beating yourself up for the past relationships. Did you buy into the labels, identities, roles you took on or were pushed into and now you don't know or find it difficult to believe your truth. To believe that you are significant, amazing, essential, and lovable? Do you feel bad, blame yourself or find fault in the decision you made and therefore you find it difficult to believe and trust yourself? Let's let go of the past so that you can love yourself, believe in yourself, and trust yourself again.

Day 20. I forgive myself, I love myself, I accept myself- Forgiveness is a loving bath that you take every day to remove the debris, imprints, data, chemicals, left in your bodies, dimensions, fields and soul that prevent you from loving, believing, and accepting yourself for who you are. Unforgiveness is what we use to deflect love, abundance, health and prosperity. We create resistance in receiving. We punish, sabotage, derail and distract ourselves from having, when we are unwilling to forgive ourselves. We play out beliefs, and stories of undeservingness, unworthiness, we have difficulty loving and accepting ourselves for who we are because we are trying to be and live up to the expectations of others. We forgot that we have nothing to prove to anything including ourselves .

Day 21. Group Energy Clearing
