

## **WEALTH**

*LEVEL 1: RECLAIM YOUR SOUL WEALTH*

## *TRANSFORM YOUR RELATIONSHIP WITH MONEY, FINANCES, SUCCESS, AND ABUNDANCE*

**Your Divine team, Angels, Angels of Abundance and so many other Celestial light beings will be supporting, helping you on your journey.**

You will change the way you show up in the world to a more peaceful, joyful, confident, and abundant You.

You will fiercely stand in your power, embrace your value and self-worth, unconditionally love being you and authentically accept and honor yourself.

You will release any resistance to being a valuable, wonderful, joyful Divine Human being, who is here to be a blessing to the world, sharing in your authenticity, and living with intention and purpose.

**You will understand how money influences every area of your life and how you create based on your relationship with it. You will finally be able to break through your ceiling and set points and align with a new level of Wealth vibration to create your new wealth legacy.**

You will search generational, ancestral, lifetimes, timelines, to find where you are stuck, blocked, held hostage, limited, hold contracts, have broken soul fragments and restore you to the time before time, to your original divine blue print of infinite wealth, infinite possibility, and Infinite Abundance.

**You will activate your new Wealth, Success, Abundance and Prosperity Vibration.**

**Day 1. Money and You-** We will look at your relationship with money. How do you feel about it? How you view it? How does it interact with your field? We will clear any negative energy, feelings, emotions, and stories your subconsciously assigned to money and recreate a loving relationship with money as light. We will bring it into your field and allow it to become part of who you are. Money is energy, light and love. You are energy light and love. You are one with money.

**Day 2. Money and Love-** Is your ability to receive love, be loved, feel lovable influenced by the value you hold for yourself based on the money you have or earn? Who are you attracting into your life? Are they matching your magnificence or your lack of self-worth? Let's dismantle this attachment, conditioning and correlation so that you can receive the love you deserve and the money you are worth.

**Day 3. Money and your love life-** How does money play a role in your love life? Do you feel confident in your relationship? Does the way you earn make you feel inadequate, unworthy, not enough for your love relationship? Or does it make you feel powerful, dominating, controlling or manipulative? How does money affect the quality of your relationship and level of connection? Do you feel oppressed, controlled, dominated, or manipulated by your partner? Are you giving your power away or are you taking it from your partner? Both are an imbalance in your money flow. How does having or not having the kind of money you desire show up in your love life? Do you show up worthy of love, unworthy of love or rejecting love? Let's clear these emotions, energy and beliefs to open up to a beautiful loving relationship in which you are honored, respected, cherished, and adored.

**Day 4. Money and relationships-** How does money influence your ability to connect with people and create deep connections? How does money play a role in the people you attract or surround yourself with? Do you attract successful, confident, generous, abundant friends? What is your set point that is not allowing you to show up authentically? How do you show up in your relationships with your kids, siblings? Powerful, confident, worthy, authentic? Let's release feeling shame or not enough and move into success and sufficiency.

**Day 5. Money and health-** How is your ability to create money? Receive money? Hold on to money? Create wealth affecting your health? Are you stressed and worried? Do you feel unsupported, burdened, and insecure? How is that showing up in your back, shoulders, groin area? Let's release all that stuck, stagnant energy, and pain, to improve your health and vitality.

How does money affect your health? How does your body feel when you worry about money? How does your body react when you feel unsupported, abandoned, betrayed, rejected by money? How long has your body been carrying the burden of not having, not being able to create, not being able to receive?

**Day 6. Money and your parents-** When you look at your life, whose life are you living? Are you being your father or your mother or both? What fears about money are you playing out? What resentment toward money are you playing out? What unworthiness and undeservingness are you playing out? What else are you honoring? What hidden benefits or loyalties do you have in relationship with money and your parents? Do you have guilt about money?

**Day 7. Money, Spirituality, Enlightenment and wealth-** When you think about Money can you equate it to Spirituality, enlightenment or do they feel like polar opposites? Do you feel like you cannot be spiritual and be wealthy or be enlightened and be wealthy? Have you

placed a ceiling on how much you can earn from spirituality or enlightenment? Are you still carrying oaths, vows, contracts of poverty, for yourself or the collective? Did you past life in which you denounce all material possessions for spirituality? Do you associate, define or correlate in your subconscious mind, money with evil, greed or abuse of power? Let's clear this karma, contracts and free you so that you can create infinite amounts of money doing what you love.

**Day 8. Money, career, job, mission, purpose, Calling-** How has money influenced the way you show up in you job? Do you feel excited about your career, mission and purpose? Do you love what you do and do what you love? How does this reflect in your money? Do you feel your getting paid your value? More than your value or less than your value? Do you feel empowered, accomplished, successful? Or diminished, stagnant, overworked? Are you allowing money to flow or are you rejecting money? Are you defining your value by what you are currently paid? Are you showing up authentically as the best version of you? Is this creating more or less opportunities? Let's clear all this conditioning, control, resentment and open up your money flow.

**Day 9. Money, success, fear of failure and being enough –** How much success are you allowing into your life? Are you afraid to fail and are limiting your success and money? Are you worried about not being enough or failing that you are choking your success? Are you afraid of making too much money and then losing it all? Do you create cycle of having and losing? Do you have subconscious belief systems sabotaging opportunities, creating resistance, chaos, challenges, blocks to having, receiving, obtaining significant success, money, and wealth? Are your subconscious belief systems keeping you safe, small, limited? Let's breakthrough all these fears, limiting beliefs and move into self-belief and self- trust so that you can have the success, money wealth you desire.

**Day 10. Money, entrepreneur, business owner, success and failure and loss-** Have you ventured out on your own and didn't achieve what you intended? Did you try many opportunities and you just didn't seem to make any of them work of you? Do your past failures come up to sabotage your new endeavors? What subconscious belief system are you running about business, entrepreneurialship, self-sufficiency, financial independence that collapse your dreams? What family, generational, ancestral stories, patterns, DNA imprints about money, success, creating wealth do you have that created your results? What other beliefs do you have about who can be an entrepreneur, business owner or consultant? What money set points do you have about being in business for yourself? Is success only for some? Is wealth only for some? Let's release, clear and give you a fresh start with money.

**Day 11. Money, debt, and saving, expenses-** Do you have guilt, shame, regret or resentment about your debt and the amount in your savings? Have you had a life of struggle, challenges, emergencies that have diverted your money else where? Do you feel overwhelm by your debt? Are you angry, bitter or resentful that you had to resort to debt to get by or make ends meet? Do you feel victimized by life circumstances, people,

organizations or companies resulting in debt or lack of savings? Do you feel sadness, a feeling of loss when you look at your savings because your hard earned money was mismanaged, misused, used to pay for sickness, illness, survival or care for others? Did greed, fear, victim, addictions play a role in your ability to have a healthy money flow? Let's clear all this toxic energy and bring light and gratitude to all sources of money. Let's fill your bank accounts and empty your debt.

## **Day 12 – Group Energy Clearing**

**Day 13. Money Manifesting-** What is your belief about who can manifest? Do you hold any poverty contracts for the collective? Do you hold any hardship or suffering contracts for the collective? Do you hold any contracts of guilt related to profiting from your gifts, service or talents? Do you hold any contracts for the collective of guilt, shame, unworthiness because you can easily manifest and others don't, therefore you sabotage, reject or give it all away? Let's clear, release all these contracts so that you can peacefully receive what the universe has in store for you.

**Day 14. Money and your ego, inner child –** We often don't realize that our ego and inner child are helping make decision about our finances. Our inner child doesn't have the wisdom to manage and does the best it can. Your ego often comes from fear, doubt, insecurities and makes decisions from this lower vibration. How many times did your Inner child or ego make financial decisions? How many times did you make money, wealth, investments, financial decisions from fear, doubt, scarcity, greed, unworthiness, not enough, undeservingness. Did you make decisions to prove your significance, to gain acceptance, to be validated? How many times did your ego or inner child sabotage you because of their fears and limited belief systems? Let's release your inner child and ego from this responsibility and allow them to be free and joyful and support you on your journey to wealth creation.

**Day 15. Money and Power, manipulation, control, abuse, blackmail-** When you think of money being in a position of power, authority or influence, do you cringe at memories and stories about money and its manipulation, control, abuse, blackmail and control. Do you have an aversion or a fear of money having power over you? Do you have trauma related to abuse of power, and money? Did you or your family experience loss, and devastation as a result of abusive power, manipulation, or blackmail? Do you feel victimized by money or those who have it? Organizations, government, corporations? Do you reject money to avoid the pain or do you reject money so that you don't become that darkness? Let's clear that trauma and bring your alignment with money into the light.

**Day 16. Money and poverty contracts (also sacrifice, suffering and hardship) -** Do you have any poverty contract and therefore reject money, sabotage opportunities and money flow? Are you unable to receive, create, hold on to money? Do you receive and then somehow it is needed somewhere else? Do you receive it then give it away, find ways to spend it or

somehow lose it? Do you hold vows of poverty for the collective? Let's clear and release all of that so that you can finally build incredible wealth and fulfill your own destiny.

**Day 17: Money, Trauma, shock, devastation, endangerment, unsafe-** Do you feel unsafe with money? Do you feel that you will be robbed, assaulted, broken into, kidnapped or someone you love? Did your parents divorce or separate and you felt unsafe? Did you lose a loved one as a result of having or not having money? Was money misused in your childhood? Was money limited and often created anger, blame or hatred? Do you feel resentment toward money because of your childhood experiences of shock, endangerment or disregard for your wellbeing by those caring for you? Let's clear all the energy around these events so that you can feel safe having, creating and receiving money.

**Day 18. Money and toxic relationships, legal matters-** Are you caught up in toxic relationships with money? Are you dependent on money that is limited, controlling and keeps you stuck? Do you get a certain amount of money dependent on your need, income or capacity and if you were to earn more money, you would lose this amount? Some toxic relationships are spousal support, child support, government assistance, inheritance, settlement, law suits. So you feel stuck, unhappy, in victim energy, resentful, powerless. Let's clear this toxic energy, set yourself free, set your new money set points and attract more money into your life.

**Day 19: Money, Universal trust and unlimited sources of money-** do you trust yourself? Do you trust that the Universe will support You? Do you trust that you have unlimited sources of money? Do you feel unsupported? Do you feel limited in your ability to create wealth, money possibilities? Are you easily able to access gratitude, and live in grace? Let's clear it all and move you to ease, peace and Grace and experiencing an incredible, loving, supportive relationship with the universe.

**Day 20. Money and self love, self belief, self trust, forgiveness and self acceptance-** How does money affect your ability to love yourself, to believe in yourself, to trust in yourself, to forgive and accept yourself? These are your foundation for holding the vibration of Love which is your most important superpower and how you manifest in your life. If you skip these frequencies you will struggle to manifest, attract, receive and create what you desire. Let's look at contract around these 5 essentials? Contracts for the collective? Look at money in relationship to your ability to Love yourself, Believe in yourself and forgive yourself. Raise your vibration to Love and manifest what you desire.

**Day 21- Group Energy Clearing**

# Level 2: Reset Your Financial Compass

In this next phase we are playing with Joyful possibility, Infinite potential, and instant manifesting with ease and grace.

We will open up our receiving channels and create a healthy balance between giving and Peaceful receiving. We will release any resistance to being a valuable, wonderful, joyful Divine Human being, who is here to be a wonderful contribution to the world, your families and yourself.

**We will find the core wound that is creating these patterns that are currently being played out in your life. We will heal that core wound, fill the unmet need, re-configure your Bioenergetic field and your chakras that are holding the core wound.**

**You will understand the role and multidimensional impact money has had in your life. You will release the blocks and get a new clean slate to re-create, re-invent, and re-design your financial life. You will have the ability, know how and capacity to co-create with Divine Creator, your new Wealth Legacy as well as sustainability and longevity to fulfill your Financial destiny.**

**You will break through your current money ceiling and financial set points and vibrate at a new level of Wealth, Abundance and Prosperity.**

1. **Day 1. -Alignment with the Spiritual Millionaire, the Conscious Millionaire, the awakened Millionaire, the Enlightened Millionaire, the Ascended Millionaire, the Divine Millionaire. The Millionaire Coach, the millionaire Goddess, the millionaire woman. I am a prosperous millionaire, I am an affluent millionaire.** Everything is Energy, Money is Energy. One dollar, one thousand dollars, One Millionaire dollars are all same energy of Money. So if this is true why are you making the amount you are making? What is in the way of easily moving up to a Millionaire vibration. At some point whether willingly or unwillingly, conscious or unconscious you accepted limiting beliefs, contracts, vows, took oaths, and agreed to lack, scarcity, not enough, poverty, struggle, sacrifice, having to prove your worth. You are stuck where you are because you are running those frequencies. Money allows the expression of my gifts. Let's clear them and recalibrate you to a higher frequency. Up-level to a higher Wealth Conscious Morphic field.

**Day 2. Upgrade Your Operating system, Re-calibrate, Re-configure,- Re-Engineer, and Re-structure Your internal architecture, to your original Divine Blueprint. Regenerate Your DNA to your original Divine template and bring online the other 10 strands to Activate the Divine**

Human within You. Bring forth unrealized talents and abilities that are dormant. Create, build, and manifest from this place of ascension and higher frequency. Create with ease from empowerment, certainty, and fortitude. Take action from your limitless self and see life transform around you. Your Operating system is infinite Possibility, Infinite Capacity

**Day 3: I AM Wealthy, I AM Prosperous, I AM Rich, I AM Abundant, I AM Affluent, I AM Auspicious, I AM Successful, I AM Opulent, I AM Well-off, I AM of Substantial Means, I AM Financially Independent, I AM Well-to-do, I AM Flourishing.**- Step into your I AM Presence. Honor the magnificence within you!. Embrace your self-worth, value, the right to be here, the right to take up space. Claim the Right, Permission and Ability to BE your I AM. Shine your light.- Bring your spirit into your body to fully embody your I AM. Clear the clutter, illusion, false matrix, manipulation and control that created separation. Feel more connected to yourself, Source and others. Feel, happier, healthier and energized and in charge of your life. BE Present and Live in the Now- Start a new page in your book, give yourself a clean slate. Everyday is a new day. Let yourself off the hook. Let go of the past and celebrate the now.\_Access Your Mighty I AM. Call upon your Mighty I AM, that is already deep within your core. You core is Your Ultimate Source of Infinite Abundance. Infinite Abundance comes from an Infinite Source. You are Infinite Abundance.

**Day 4: Your Goals, Your Vision, Your Future- What do you truly desire?** Can you picture it in your mind's eye? If you can imagine it, you can hold it in your hand. Does your Goal, Vision or future feel like it's right around the corner? Can you see it, feel it, taste it? Or does it feel far away. What specifically do you want to see in your life? What feelings come up when you think about your Goals? What fears creep up as you bring your attention to what you desire? What self-judgements or judgement from others reveals itself as you dream bigger? What keeps you from expecting more for yourself? What keeps you from clearly seeing your vision? Do you have programs running about, I can't ask for too much, asking for more is greedy, It is not good to want more? If others do not have what they want then I shouldn't have it either? If I ask or desire more than I am taking from others? Others pay the price when I ask for more? I don't want more at the cost or expense of others? Let's clear all these confusing and lack programs so that you can tap into the source of infinite abundance.

**Day 5. Heal the deeper layer of the Core Wounds that are fragmenting your reality-**

Chakra clearing, repair, upgrade and activation [ 1. Root(safety and survival), 2. Sacral(belonging, community and creativity) and 3. Solar Plexus (Self-Esteem, Personal Power and Drive)]

Abandonment, feeling unsafe, not feeling supported by source, being in survival, feeling Unworthy, Rejection, Not being Accepted, not being wanted, not fitting in, not belonging, feeling lonely, feeling uninspired and unmotivated, feeling not good enough, Not believing in Yourself, Not trusting Yourself, lacking drive and follow through, feeling powerless.

In Addition to the Emotional Wounds and Trauma, Let's clear the physical Shock and Trauma interfering with Receiving, Having, Creating, Manifesting and Growing what you desire.

**Day 6. You desire what you desire and you effort to get it but do you have permission to have it!**

When we have layers of regret, resentment, guilt, shame and fault, we hold ourselves back. We Sabotage ourselves, we punish ourselves, or we reject abundance. We subconsciously and energetically keep it from coming in until we feel we have earned it or paid the price. Are you willing to give yourself Permission, Are you willing to let yourself have what you desire? Are you willing to treat yourself with kindness and compassion? Do you have the Right and ability to attract, manifest, create, and sustain what you desire? Reclaim your Right, Permission and Ability to have what makes you happy. Call back your power and revoke, rescind any soul binding contracts, un-create it all and step Powerfully into Choice and Sovereignty. I have the right, permission and ability to create wealth to support myself and my loved ones.

**Day 7. Your inner Wealth reflects Your Outer Wealth-**

Your inner wealth comes from your childhood. What negative association do you have attached to money? What fears from your childhood are reflecting in your outer wealth? What trauma is your inner child still holding, suppressing? What experience is stored in your subconscious mind that holds strong images of loss, failure, disappointment or struggle? What do you believe about yourself that is being validated by your outer environment? Do you love, belief, trust yourself? Are you kind, compassionate and respectful of yourself and how is that reflected back to you? Do you feel like life is difficult? Life is not easy? Life is too much? How is that being reflected back to you? Your thoughts are creating your reality. Let's locate these images in your bioenergetics field and quantum clear them all. What else do you believe about yourself that is reflecting in your outer wealth as low income, low wages, debt, financial victimization, financial legal suits, or financial hardship. Or it may show up as, being passed up for promotions, minimum salary raise, being overlooked or undervalued in your career or workplace. Do you compare yourself to others and feel less than, inadequate, or uncomfortable in your own skin? Let's transform Your inner child into a Master Manifestor.

**Day 8. Achieve your Goals, Success and Wealth**- Do you find yourself going through the motions of these exercises. Do you set goals because it is expected but deep down you are giving up/quitting before you begin? You are not quite committed to your results. You are avoiding being disappointed, disillusion, embarrassed. You have tried in the past and it has not worked. No matter how hard you've tried, you have not been able to realize substantial tangible results. So what is this about? Your ego, your inner child, your victim, the entities you created from emotional low vibrations are running the show. If they feel out of alignment they are going to pull or push in the opposite direction of what you want. If they feel threatened, they will act out. Many times is via sabotage. What else is holding you back from obtaining, seeing the results from all your endeavors? Perhaps the Attachments, judgement, conclusion, control, significance, and validation derived from getting results. Let's un-create this and give you a clean and clear slate so that you can create from a place of peace, joy and freedom. Let go of what it supposed to look like. Let's clear your bio-energetic field and reassigned your energy to support you and be a beacon for Prosperity.

**Day 9. It's not about debt management is about freedom from debt**.- Do you feel more grounded, more certain, more abundant and yet the money that is flowing in is in the form of debt. Do you feel indebted to people, organizations or institutions? Are you receiving from a vibration of debt? Can you easily receive without feeling indebted or that you have to reciprocate the same or more. This is a layer of unworthiness. When something is given and you feel it is too much, you unconsciously want to reject it, give it back or pay for it at a higher value. Do you hold a contract for yourself or the collective of being indebted? Is it playing out as shame or dishonor. Do you hold any confusion about debt? Maybe you are expected to be grateful for all that you receive or is available to you and if you reject what you receive, you will block your money flow. Let's clear your debt vibration and everything attached to it and move you into a new morphic field where money is free and comes without conditions, entanglement or attachments.

**Day 10. What Income number is currently set to your vibration**? If you keep attracting fairly the same week after week, month after month, then that is your money intention that is anchored into your field. You may be doing everything you can to up level your income but until you delete and un-create your current money program holding this vibration, you will earn the average amount. Discover what that number is. Let's increase your vibrational, emotional, spiritual and subconscious bank account so that it matches what you desire and manifests in your physical bank account. Let's clear ancestral, planetary, tribal and soul level clutter that is attached to this. What would it take to know and feel that money is good to you? What would it take for money to always be good for you? What would it take for money to always work for you? What would it take for money to always be available to you? What would it take for money to always show up for you? What would it take for wealth to be easy? Wealth is easy!

## **Day 11. Group Energy Clearing**

**Day 12. Lifetime regressions and Timeline resets-** Remember the reason why you chose your journey. Move into creator, choice and responsibility. Let's scan your lifetimes to identify lesson and learnings that can be integrated to raise your vibration, open up more abundance, more joy, and more prosperity. Let's uncover blocks, distractions or interferences that are interfering with your timeline or other timelines that need to be healed in order to create a smooth path forward.

**Day 13. Perfectionism, Procrastination, control,** -Transform low vibrational energies in the quantum field to gratitude, trust and surrender. Are you hard on yourself? Who's expectations are you trying to live up to. Do you hold yourself back if you feel you won't be perfect at it? Do you stop yourself from playing all out? Do you become frustrated, angry, apathetic, unhappy even depressed when you are not performing at the level you expect? Do you procrastinate getting through tasks because you feel you are not good at it? It's too hard, too difficult, too overwhelming, not fun, time consuming etc...What else are you unwilling or resisting to do or take action on? Are some of those things financial? Bills, taxes, debt, saving? This is a reflection of love for yourself and love for money. If you loved yourself so much then you would be willing to do whatever it took to have what you want. If you loved money who would find ways to keep more of it, make more of it and honor it and your obligations in a way that was healthy and balanced.

**Day 14. Cultivate a mind of success, thrive at being you and creating a life that works for you.** Regain your confidence, belief in yourself and trust in yourself. Access your power centers and harness your courage. Let go of Worry, Fear and Doubt. These are your Achilles heel which sabotage your success. Turn your doubts, worries and fear into positive drivers to carry you forth. Stop living in the past and projecting into the future. Live in the present. Restore your sense of self, clear devalued, undervalued and feeling bankrupt. Excel at being you. Become the best version of you. Breakthrough the illusion you call your life and create a new reality.

**Day 15. Your Pineal, Pituitary- Role and function of the Pineal and Pituitary glands for your evolution,** ascension, and expansion. Let's optimize their function, upgrade them and open up to more divine guidance. Receive your Divine code in form of light, frequency, sound or images.

**Day 16. Light Body- Ascension and Physical body upgrade**

**Detox Liver, spleen, Pancreas, kidneys, adrenals, lymphatic- bacteria, virus, fungus, parasites.**

Other organs are optimal health, vitality, ability/capacity to the light, clarity and in alignment the vibrational of source—DNA, Stem Cells, particle level, quantum level, planetary, Etheric level

**Day 17. Light Body- Ascension and Physical body upgrade**

**Detox lungs, stomach, intestine, skin,- bacteria, virus, fungus, parasites-** Other organs are

optimal health, vitality, ability/capacity to the light, clarity and in alignment the vibrational of source—DNA, Stem Cells, particle level, quantum level, planetary, Etheric level

**Day 18. Who do you blame for your current situation?** Your parents, your significant other, your grandparents, your employer, your siblings, you neighbor, your kids maybe money? What keeps you stuck in the same vibration that you have been. When you think of certain people in your life, do you feel sad, angry, resentful, controlled, manipulated, unworthy, diminished, frustrated. Instead of stepping into possibility you stay stuck or use “what others are doing to you” as the excuse to stay where you are? Take full responsibility of what you are creating. Everything is within you. Everything showing up around you is a reflection of what is happening within you. Change starts with you. Be the Change you want to see in the world. Let go of blame, fault, reclaim your power. Let go of the excuses that you hold on to which keep you from shining your light. Step you’re your best self and release procrastination, contentment, settling for less, settling for just enough, or surviving.

**Day 19. Money Karma, business karma, personal karma-** do you feel indebted to others, do you have guilt or feel bad about previous money dealings with family, friends, business relationships? Do you feel you financially harmed someone else. Do you feel you took something from others, putting them at a disadvantage or creating hardship? Do you feel you were harmed by money? Someone else harmed you financially. Do you feel victimized, vandalized, taken advantage, duped, abused, wronged by someone else? Fears, doubts worry as a result of that. Anywhere you took and did pay back or give back. Anywhere you didn’t care or considered someone’s situation with money. Were you negligent with the money or asset of others. Other lifetime Karma in which you were in a position of power and abused it or someone else abused and suppressed you. Let’s clear all this, update akashic records and get a “Do Over” from a high conscious place. Making decisions from kindness, compassion, power and integrity.

**Day 20. Grace, Gratitude, Peace, Love and Blessings-** If you want to create real magic in your life play with these frequencies especially in those moments when life is not

what you want it to be. In times of need, when you feel disappointed, when you feel lost, when you feel confused. Connect to Gratitude, Peace, Love. Experience yourself living with Grace and completely blessed. Let's clear helpless, un-resourceful, not enough, unlucky and transcend it all into Ease and Grace.

**Day 21: Group Energy Clearing**

## **Level 3: Activate Your Wealth Consciousness and Create Your Soul Wealth Legacy**

**This level is about embodying the Goddess, the God, the Divine Being Within You and creating life from the 5<sup>th</sup> Dimensional being**

**We will dive deep into all levels of who you are and all field of embodiment to peel back the layers and reveal the new You, as we activate your new Wealth, Success, Abundance and Prosperity Vibration.**

**You will be more committed to your success and achieving your dreams. You will elevate and expand your wealth consciousness. You will magnify and attract more money and opportunities around you. You will feel peace and joy receiving abundance from all known and unknown sources with ease and grace.**

**Day 1: Upgrade your Morhic field to that of limitless possibility-transcend lack, scarcity, fear, doubt and feeling unresources. Move into everything is possible. Expand your world, dream bigger, align with success. **Dream bigger than ever before, align yourself with success, happiness, love** are all possible for you. What is in the way of having what you desire? Fear? Doubt? Limiting beliefs? Contracts, Interferences? Agreements, contracts, conditions? Break through your ceiling now.**

**Day 2. Embrace Your Darkness-** Ultimate forgiveness and self love, self acceptance, remembering and taking responsibility. You are the creator of your life and you chose to be here from a place of empowerment. You are not and never were a victim. You created soul contracts with your soul family for your evolution. You are at choice and now that you are aware recreate your reality.

**Day 3- Become the Observer of Your Life.** Observe yourself from non-judgement, eyes of compassion, kindness and unconditional love. As the observer you easily navigate through the challenges. Become oneness, unity, cosmic, infinite universe, all that is. Become the source of your ultimate reality. Be Abundance, Unconditional Love, Wealth, Prosperity Personified.

**Day 4. Infinite Abundance-**Enjoy the Abundant that you deserve. Actualize Abundance in all areas of your life. Accept and Embrace your Birth right. Abundance comes from an infinite source. Recognize that it is infinite, more than enough and available to everyone. Become infinite possibility and limitless in your experience of having. Abundance is all around you waiting to be manifested into your reality.

**Day 5. Right and Left Brain Connection-** clearing and meditation to connect your right and left hemisphere to access more of your knowledge and wisdom as well as capacity to learn, heal, download, see, create and manifest. Reset your energy and open up to Christ Consciousness.

**Day 6: Live into Grace and Manifest from Gratitude-** We forget that we get to choose every day. We forget that we are creating a new reality every day. We have a clean slate, a new canvas to paint on. We can choose to wake up with gratitude and go to sleep with gratitude. Gratitude and celebration bypass worry, fear and doubt. It is impossible to be worried and in gratitude, to be in fear and in celebration. Practice Gratitude first thing in the morning as you wake up and last thing before you go to sleep. Connect to the light. Surround yourself with violet light. Open up your heart space to give and receive, to have and to hold. Balance out your receiving channels and open up to manifest from your joyous state of being.

**Day 7. Step into the Mirror-** Meet your Avatar- and Morph into the best, most successful, most enlightened version of you. What energy, space, consciousness, morphic field can you step into? Jennifer Lopez, Louise Hays, Jack Canfield, T Harv, Tony Robbins, , Budha, Christ. Who do you want to become that is in alignment with what you desire? Step into that mirror now. Be, have, receive, the life of your future self. Conscious, Awakened, Spiritual, Enlightened, Millionaire, philanthropist, Influencer, contributor. Embody your future self.

**Day 8: Be unshakeable, unstoppable, unwavering, uncompromised. Be resolute, congruent, and aligned.** Stand as source for yourself and you are now living by your own rules, belief systems and values. You live your life unapologetically. You live life without regard.

**Day 9. Receiving, Accepting, Opening up to a flow of Abundance with St. Germaine-** Light Master Saint Germain of Magic and Abundance, is the holder of the Violet Ray. His magic immediately loosens and transforms what no longer serves your Highest Good. As choan, or lord, of the seventh ray, Saint Germain initiates our souls in the science and ritual of transmutation through the violet flame. **Saint Germain and Portia deliver to the people of God the dispensation for the seventh age and the seventh ray—the violet ray** of freedom, justice, mercy, alchemy and sacred ritual—a new lifewave, a new civilization, a new energy.
